Parents & Guardians,

We use the Instant Alert system to notify you of emergency closings, early dismissals and other emergencies that might occur throughout the school year.

We have used this alert several times in the past but we need your help to insure us that you have received the alert. This was extremely important when we had an early dismissals. We have to make sure that someone is home to receive the students.

When you receive any alert, please 'acknowledge' that you have received the alert by pressing the number 1 key on your phone when prompted to do so. This will allow us to check who actually received the call in-person rather than a message being left on the answering machine, which does not insure that someone was home.

If you would like additional numbers or emails so everyone will be aware of any emergencies that may arise, please fill out the following information for all numbers or e-mails that you wish to be contacted on.

Please check this box  if you are satisfied with your current contact information and there are **NO changes** in your information.
