ELECTRONIC DEVICE POLICY & AUTHORIZATION

Over the past year, several students have had an issue with lost or stolen ipods, MP3 players, cell phones or other electronic devices. While we understand that the music can be a benefit or reward for some students, the New Road School staff is not able to monitor and take on responsibility for these items.

It is strongly suggested that all valuable items are kept at home. If you allow your child to bring one of these devices to school, please understand that it is at your own risk. Students are expected to keep those items secure in their backpacks when not in use. Please review this policy with your child and return the slip below as acknowledgement of this information. Any additional questions on this matter may be directed to your child's teacher. Your continued cooperation is appreciated.

I have read the above information regarding the policy for ipods, MP3 players, and other electronic devices. I understand that these items are the individual responsibility of each student and that the New Road School will not be held responsible if items are lost or stolen.
