SCHOOL PHOTO/VIDEO/AUDIO RELEASE FORM

The teachers and staff at New Road Schools take many pictures/videos of the children throughout the year to illustrate, for you and them, the many activities in which they are engaged. Some photos will be used in books made by the teachers and children or displayed in the schools hallways and rooms. Audiotapes are sometimes made for academic reasons.

New Road School is making a concentrated effort to promote positive activities, honors, and work of our staff and students. This includes working with the local newspaper, radio, and television stations and also developing our own publications. These publications include information, likenesses, images, etc. which may appear on the school web site as well as in other technological publications.

I hereby give permission for images of my child, captured during regular and special school activities through video, photo and digital camera, to be used solely for the purposes of New Road School promotional material and publications, and waive any rights of compensation or ownership thereto.
