Dear Parents/Guardians:

There are times when your child may be involved in photo or video opportunities that will be conducted in order to educate the public about our school’s program or our yearbook. These activities may include newspaper articles, television spots and brochures about our school. We need your permission to have photographs (or video clips) of your child released for these publications.

Please fill out this form and return to school with your child. Thank you for your cooperation in this matter.
